- You are able to secure your livelihood and health insurance coverage for the entire duration of your study application from your own resources without recourse to public benefits.
- There is no interest in deportation against you.
- Your stay does not endanger or impair the interests of the Federal Republic of Germany.

- During the appointment, your identity and documents will be verified (please bring your documents, originals if possible, to the appointment).
- If your application is granted, your fingerprints will be taken for the production of the residence permit in the form of a new electronic residence permit (eAT card).
