## Sachverhalt

been integrated into social life in some other way.

In the case of an extension, your residence permit will be limited again. The residence permit for the purpose of research is extended for the duration of the research project.

As a rule, the residence permit cannot be extended if this was already ruled out when the residence permit was issued or last extended.

## Erforderliche Unterlagen

- Valid passport or passport replacement
- Existing residence permit
- Current biometric photo
- Hosting agreement or a corresponding contract with a research institution for the implementation of the research project
- Tenancy agreement
- Proof of living expenses (incl. 3 proofs of income for the last 3 months)
- Proof of health insurance
- If you are required to take part in an integration course: certificate of successful participation in the integration course or other proof of your integration efforts

## Voraussetzungen

- You have a recognised and valid passport or passport replacement as well as the valid residence permit for the purpose of research according to § 18d paragraph 1 AufenthG.
- The period of validity of your residence permit will expire in the near future.
- There is no interest in deportation against you.
- Your stay does not endanger or impair the interests of the Federal Republic of Germany.
- You can secure your livelihood and health insurance cover from your income without claiming public benefits.
- You have an admission agreement or a corresponding contract to carry out a research project at a research institution.
- In the case of an obligation to attend an integration course by the Aliens' Registration Office: You can provide evidence of successful participation in the integration course or proof that your integration into

## Kurztext

- Residence permit for the purpose of gainful employment Extension for the purpose of research
- Residence permits for the purpose of research may be extended if their period of validity is due to expire in the near future and the applicant intends to continue working at the research institution.
- The extension must be applied for at least eight weeks before the expiry of the time limit.
- An extension of the residence permit for the purpose of research is only possible if the prerequisites that existed when the permit was first issued continue to be met.
- In the course of the extension, the residence permit is again limited in time.
- If the obligation to attend an integration course was stated when the residence permit was issued, proof must be provided that the obligation has been fulfilled. If the integration course has not yet been completed, the Aliens' Registration Office can refuse to extend the residence permit or can only extend it for one year until the course has been successfully completed or
