| Teaser                        | Are you applying for a permit for installations under the simplified procedure? Then you can obtain a permit from the competent authority for the construction and operation of installations of a certain type or size without public participation.                                                                                                                                                                                                                                                         |
| Volltext                      | <p>Permits for installations of a certain type or size can be issued in a simplified procedure. In these cases, the procedure is carried out without public participation.</p> <p>You will be granted a permit if you fulfill the obligations arising from the Federal Immission Control Act and if the project does not conflict with any other regulations under public law.</p> <p>For information on the cases in which a simplified approval procedure is possible, please refer to the legal basis.</p> |
