Volltext	<p>Continuing education institutions that wish to offer state-regulated continuing education in the following areas require state recognition:</p> <ul style="list-style-type: none"> • Ward, group and residential area management • Senior Nurse • Nursing service, facility and home management • Practical instructions • Hygiene • Psychiatric care • Intensive care and anaesthesia • Surgical Service • Oncological care and palliative care • Palliative Care <p>The training courses offered must be based on an ordinance of the State of Hesse.</p> <p>Your further education institution must be recognized by the Regional Council. Only then may you carry out the training according to the respective training regulation.</p>
Erforderliche Unterlagen	<ul style="list-style-type: none"> • Copies of professional certificates and further training certificates of managers and teachers • Information about the premises in which you would like to set up the training centre (e.g. rental agreement or other planning documents) • Cooperation agreements with institutions in which the practical training components take place

Modul

Sachverhalt

- Of Curricula and timetables Subject-specific assignment of lecturers and practice instructors on site
- Type and implementation of the required performance records
- Form of communication with the practice instructors on site

Hint: You want to offer several further training courses according to the continuing education regulations of the state? Then you must submit the documents for each training separately

Voraussetzungen

Prerequisites for state recognition are:

- They must have sufficient professionally qualified managers and teachers.
- Your rooms must be large enough and equipped with the appropriate teaching and learning materials.
- In order to ensure practical training components, you must prove the following: the cooperation with a suitable hospital, an outpatient nursing service or an institution for the elderly or the disabled, and the qualification of the practical instructors on site
- When conducting the courses, you must observe the provisions of the respective continuing education regulation.

Kosten

for the processing of the application and the final decision: fees will be charged. Check with the competent authority.

Hint: The competent body must examine the recognition requirements separately for each training course because of the different training contents. Therefore, the costs for each training area are incurred separately.

Verfahrensablauf

Submit your application with all the necessary documents to the responsible regional council. Responsible is the regional council in whose local area of responsibility you would like to operate your further education institution.
