Then you must first have an equivalence assessment carried out for your university degree.                                                                                                                                               |
