Teaser	You can obtain a residence permit for a study-related traineeship in the EU if you meet certain requirements.
Volltext	<p>You can obtain a residence permit for a study-related traineeship in the EU if you have obtained a university degree in the last two years prior to the application or are still studying in a third country leading to a university degree. A higher education institution is any educational institution that enables a degree comparable to a university degree that could be obtained in Germany. In this regard, the evaluation recommendations of the Central Office for Foreign Education are to be taken into account, see under further information.</p> <p>If you have not yet reached the age of 18, the person with custody must agree to your planned stay for the purpose of the study-related internship.</p> <p>The residence permit for a study-related internship is a temporary residence permit. It is granted for the agreed duration of the internship, but for a maximum of six months.</p>
