## Sachverhalt

In addition, your residence permit will not be renewed if you have been expelled on the basis of a particularly serious interest in expulsion.

You must urgently ensure that you submit an application for renewal or the issue of another residence permit (e.g. a settlement permit) before the expiry of your residence permit. If the application is submitted in good time, i.e. before the expiry of the time limit, further residence is deemed permitted until the decision of the immigration authority with all subsequent effects (e.g. the right to engage in gainful employment). A late application (after the end of the time limit specified in the residence permit) can result in considerable legal disadvantages.

### Erforderliche Unterlagen

- Application for renewal
- current biometric photo
- previous residence permit

Further documents depend on the facts and can be requested from your contact person.

### Voraussetzungen

- The residence permit shall be extended if the conditions which must be met when it is first issued are still met.

- There must be no grounds for refusal.

### Kosten

You are exempt from the fee for extending your residence permit.

If you are issued a new travel document for refugees, the fee is 60 euros from the age of 24 and 38 euros up to the age of 24.

Because you are in possession of a residence permit on the basis of the granting of refugee status, you are entitled to a settlement permit if you have been in possession of the residence permit for five years if you meet the conditions laid down for this purpose.

If, in addition, you are able to secure the livelihood for yourself and your family predominantly (at least 75%) from your own income and if you are proficient in the German language (equivalent to level C 1), you must already be granted a settlement permit if you have been in possession of a residence permit for three years.
