Teaser	Have you applied for a grant for fertility treatment and received the corresponding grant notification? Have you also already had the fertility treatment carried out? Then you can now apply for payment of the grant.
Volltext	If you have applied for a grant for fertility treatment and received a corresponding grant notification, you can have the fertility treatment carried out. Once you have had fertility treatment, you can apply for payment of the fertility treatment grant within one year of receiving the grant notification.
Erforderliche Unterlagen	• Original invoices from the reproduction facility and, if applicable, other service providers for the treatment costs as well as health insurance receipts and original prescriptions for the medication purchased • Proof of benefits relating to the treatment and medication costs from the health insurance fund, the subsidy office or other cost bearers

Modul	Sachverhalt
Voraussetzungen	The subsidy for fertility treatment can only be paid if: • You have applied for the subsidy before the start of treatment, • you have received the grant notification before the start of treatment, • you have submitted the application for payment to the granting authority within one year of receiving the grant notification, • the fertility treatment was carried out in accordance with the treatment plan that you submitted when you applied for the grant.
Kosten	There are no costs.
Verfahrensablauf	Once the treatment has been carried out, you can apply for payment of the grant for fertility treatment by post. If you meet all the requirements, you will receive the payment notification. The amount to be paid out will be transferred to the account you specified in your application once you have received the payment notification.
Bearbeitungsdauer	Depending on the number of payment requests.
Frist	The application for payment must be submitted to the granting authority within one year of receipt of the grant notification.
