Teaser	If you would like to know the value of an undeveloped or developed property, you can have it determined by a committee of experts via a market value appraisal.
Volltext	An expert committee for real estate values has been formed for the areas of the districts, the independent cities and some cities belonging to the district. It is made up of honorary members (such as architects, civil engineers, tax officials, farmers, real estate value experts, surveyors, etc.). In principle, the Committee operates autonomously and independently. The office of the expert committee is set up at the respective office for land management or at the municipal authority of the city.
