Teaser	Anyone can inspect the project and development plan.
Volltext	<p>The project and development plan becomes part of the project-related development plan (Section 12 (3) sentence 1 of the German Building Code (BauGB)). The plan sets out the details of the project and the associated development measures, which the developer undertakes to implement in the implementation agreement. Anyone can inspect the relevant documents (project and development plan, project-related development plan, justification of the development plan and summary declaration on the way in which the environmental concerns and the results of the public and official participation were taken into account in the development plan and on the reasons for which the plan was selected after weighing up the other planning options that were considered) (Section 10 (3) sentence 2, 2nd half-sentence BauGB).</p> <p>The documents are posted on the internet portal of the respective municipality (although not yet for all plans).</p> <p>§ Section 10a (2) BauGB</p>
Erforderliche Unterlagen	Indication of the number or name of the relevant project-related development plan.
Voraussetzungen	The project-related development plan must have been published in the version in which it was finally published.
Kosten	Inspection is free of charge (however, costs may be charged if, for example, photocopies of the documents are required).
