You can find out more about registering on the electoral roll for the election of the mayor if you are a citizen of the citizen of the Union living in Germany.

**Volltext**

If you are a citizen of the European Union living in Germany, you are only entitled to vote in the mayoral election if you

- are at least 16 years old on election day,
- are not excluded from the right to vote and
- have your (main) residence in the electoral area of the municipality on the 16th day before the election or otherwise usually reside there and do not have a residence outside the electoral area.

In addition to the substantive right to vote, participation in the election requires registration in the electoral roll of the municipality or a polling card. If you have your (main) place of residence in the electoral area, you will be entered in the electoral roll there ex officio if you meet the other requirements.

A secondary residence in the electoral area is not sufficient for entry in the voters' register. If you have not been entered in the electoral roll ex officio due to a lack of a registered (main) residence, you can submit an application for entry in the electoral roll up to the 20th day before the election.

From the 20th to the 16th day before the election, you can inspect the electoral roll during general opening hours.

During this time, you can be entered on the electoral roll if you meet the requirements.
