Teaser	Would you like to have your test laboratory or measuring point notified? Find out more here.
Volltext	As a testing laboratory and measuring point, you must be notified to perform state-initiated testing and monitoring tasks. To do this, your test laboratory or measuring point must meet certain requirements. The decision to carry out your aptitude test will be communicated to you in the form of a corresponding decision. This is recognized nationwide. This procedure applies in Saxony-Anhalt in the environmental areas of waste and air.
Erforderliche Unterlagen	• Written request • Proof of the required expertise on the basis of a module-compliant accreditation by the Deutsche Akkreditierungsstelle GmbH (DAKkS)

Modul	Sachverhalt
	• Current Quality Management Manual • Articles of association with details of the natural or legal persons authorised to represent the company as well as the current extract from the commercial register • List of staffing levels • If applicable, proof of the type and scope of the financial loss liability insurance • If applicable, copy of the contract between the external sampler and the inspection body • possible copy of the permit for hygienic work of safety level S 2
Voraussetzungen	Your test laboratory/measuring point must: • have their registered office in Saxony-Anhalt, • prove the required expertise, • reliable, independent and • be equipped accordingly with the equipment technology.
Kosten	Fees apply. Their amount depends on the administrative burden actually incurred.
Verfahrensablauf	Please submit an application to the competent authority using the respective application form and attaching the evidence indicated there to check the condition of a notification. This will check your suitability as a testing laboratory or trade fair site.
Bearbeitungsdauer	The examination of the application begins with the complete documents. The test takes 3 (waste) or 4 months (according to BImSchV).
Frist	The notification shall be given for a maximum of 5 years. You should submit an application for renewal at least 4 months before the expiry of the validity.
