Teaser	If you want to work independently in a craft requiring a license and have a domestic professional qualification equivalent to a master craftsman's examination, you must first be entered in the Register of Craftsmen.
Volltext	<p>With a domestic professional qualification equivalent to a master craftsman's examination, you can exercise a craft requiring a license as a permanent trade in Germany. Before setting up a business, you must be entered in the Register of Craftsmen.</p> <p>The Register of Craftsmen is a register kept by your local Chamber of Crafts.</p>

Modul

Sachverhalt

The Register of Craftsmen lists, among other things

- natural persons,
- partnerships with legal capacity or
- legal entities and
- the name and qualifications of the company management.

Registration in the Register of Craftsmen is mandatory if you

- wish to exercise a craft requiring a license,
- only want to practise the craft in part and
- wish to carry out essential activities of several trades, then for each of these trades.

To be entered in the Register of Craftsmen, you or the company management must provide proof that you have successfully completed a master craftsman's examination for the trade to be practiced or an equivalent professional qualification.

The following are eligible as management

- Owners of the craft business or
- persons employed by the craft business

In addition to a corresponding master craftsman qualification, proof of qualification may be a certificate of a passed examination to become a certified industrial foreman.

You can find a complete list of the trades requiring authorization in Appendix A of the Crafts Code (HwO).

The relevant chambers of skilled crafts provide further information on this service. Please contact your local Chamber of Crafts for more information.
