Teaser	You do not need planning permission for certain building projects. For these you need an exemption from approval.
Volltext	Before you can build a project that does not require a permit, you need a permit exemption. For example, a detached house is exempt from approval if it is to be built in an area with a development plan
Erforderliche Unterlagen	• Submission of the required documents for exemption from approval (via online service or publicly published forms) • Extract from the official real estate register • site plan • Construction drawings

Modul	Sachverhalt
	• Building description • Calculation of the permitted, existing and planned extent of building use for construction projects within the scope of a development plan that contains provisions on this matter
Voraussetzungen	• Complete submission of the required documents for approval exemption • Building project complies with public law regulations You do not need a permit for your building project if • it is located in a development area whose development plan has been approved, • it does not contradict the provisions of the development plan, • the development is secured and • the municipality does not request a simplified building permit procedure within the statutory period or apply for a provisional prohibition. If you wish to deviate from the development plan, you must apply to the responsible building supervisory authority before the approval exemption is granted.
Kosten	Fees in accordance with the municipal statutes
Verfahrensablauf	You can submit an exemption from approval for the construction of an installation electronically via the online service or in paper form using the form. Proceed as follows when using the form: • Complete the form. • Add the required building documents. • Submit the documents to the responsible municipality. • If documents are missing or if there are other ambiguities, you will be asked to complete them. • In this case, submit the missing or amended documents or the clarification. • The responsible municipality will check your submission. • If you do not receive any feedback from the responsible municipality within one month or if it

Modul
Sachverhalt

declares in writing beforehand that no approval procedure is to be carried out and that it will not apply for a prohibition, you may begin construction. If the municipality decides that a simplified building permit procedure should be carried out, you will receive your documents back.

- When submitting the documents, you can specify that your building documents should in this case be forwarded to the responsible building supervisory authority and treated as a building application.
- You may receive a notification of fees.
- In this case, pay the fees.

Bearbeitungsdauer

maximum 1 month from receipt of the complete documents Exception: The municipality informs you within the 1-month period that the simplified building permit procedure is to be carried out or declares that a provisional prohibition has been applied for.

Frist

No deadlines
