Teaser	Are you applying for a permit for installations under the simplified procedure? Then you can obtain a permit from the competent authority for the construction and operation of installations of a certain type or scope without public participation.
Volltext	Permits for installations of a certain type or scope can be issued in a simplified procedure. In these cases, the procedure is carried out without public participation. You will receive a permit if you fulfill the obligations under the Federal Immission Control Act and the project does not conflict with any other public law regulations. The cases in which a simplified approval procedure is possible can be found in the legal basis.
Erforderliche Unterlagen	• main application • Required drawings, plans or expert opinions • Explanatory notes on the installation • Other documents (if necessary, ask the competent authority)
Voraussetzungen	• You must prove that you will comply with the
