Teaser	If you apply for a preliminary decision on an installation that requires approval, the competent authority can issue this under certain conditions.
Volltext	If you apply for a preliminary decision, the competent authority will decide on individual approval requirements and the location of the plant. If the effects of the planned installation can be adequately assessed and there is a legitimate interest in issuing a preliminary decision, the competent authority should issue a preliminary decision.
Erforderliche Unterlagen	• Application for a preliminary decision on an installation requiring approval • Required drawings, plans, expert opinions • Explanations of the installation • Other documents (if necessary, ask the responsible authority)
Voraussetzungen	• The competent authority must be able to adequately assess the impact of the planned installation from the application you submit and the required documents. • Your application must demonstrate a legitimate interest in the granting of a preliminary decision
Kosten	
Verfahrensablauf	

Modul	Sachverhalt
Bearbeitungsdauer	
Frist	2 Jahr(e) The preliminary decision becomes invalid if you do not apply for approval of the installation within two years. In justified exceptional cases, the period of validity of the preliminary decision can be extended for up to two further years.
