Teaser	If your workshop card is about to expire, you must apply to renew it.
Volltext	<p>The workshop card is a tachograph card that is issued to an authorized recording equipment manufacturer, installer, vehicle manufacturer or workshop. It identifies the card holder and enables the tachograph to be checked, calibrated and data downloaded. The workshop card is used by technicians at workshops authorized in accordance with § 57b StVZO who install and calibrate digital tachographs and by tachograph manufacturers. It is PIN-protected and valid for 1 year. When submitting the application, the workshop must be recognized or commissioned in accordance with § 57b StVZO and proof of training of the responsible specialist (technician) must be submitted. The documents must not be older than 3 years. The period of validity of the workshop follow-up card is 1 year. The competent body will renew the card within 15 working days of receipt of the application and submission of all required documents.</p>
Erforderliche Unterlagen	<ul style="list-style-type: none"> • Access to the ELSTER organization account, if applicable • Proof of entry in the commercial register or business registration • Proof of training for a specialist in accordance with the tachograph recording equipment training guideline • Proof of employment of the responsible specialist • Proof of recognition or commissioning of the workshop in accordance with § 57b StVZO • Your workshop card
