Teaser	If you wish to complete your training in the field of psychological psychotherapy, you must pass a state examination. You can find out more here.
Volltext	Training in the field of psychological psychotherapy includes a state examination. Proof of passing the examination is a prerequisite for licensing as a psychological psychotherapist. Training to become a psychological psychotherapist takes at least three years full-time and at least five years part-time. It consists of a theoretical part, practical training with patient treatment under supervision and self-awareness and concludes with a state examination. This comprises a written and an oral part.
Erforderliche Unterlagen	<p>The following evidence must be provided:</p> <ul style="list-style-type: none"> • Birth certificate • Marriage certificate, if applicable • Proof of passing the examination in the psychology degree program (which includes the subject of clinical psychology) or a certificate of equivalent training and diploma certificate (original and one copy in each case) • Certificate of regular and successful participation in the training courses according to § 1 para. 3 and 4 PsychThAPrV (sample according to Annex 2 of the APrV) in the original and, if applicable, credit certificates from the state examination office. • At least two case presentations in accordance with § 4 Para. 6 PsychThAPrV, which have been accepted by the training center as an examination case (four copies of
