Teaser	If you want to transport animals for longer than 8 hours as a transport company, you need a license from the competent authority. You can find out more here.
Volltext	The requirements of the EU Transport Regulation and the Animal Welfare Transport Regulation apply to the transportation of animals. Companies wishing to transport animals for more than 8 hours require a separate license. In addition to the requirements that also apply to transports up to 8 hours, companies require further proof, e.g. a certificate of competence for drivers and attendants or an emergency plan for urgent cases. These requirements may also apply to the transportation of animals as part of an agricultural or part-time activity ("part-time farmers").
