Modul	Sachverhalt
	A detailed list of all required documents can be found in the application form, please coordinate details with your credit institution.
Voraussetzungen	The application must contain a concept for the implementation of the measure and • the period of time, • the number of hours of the courses, • the teaching programme, • regional reference, • Practical relevance and sustainability of the project, • The qualification of the project supervisors and • the guarantee of material and spatial capacities. These requirements are checked by a specialised body. For more information, please see the programme page.
Kosten	none
Verfahrensablauf	You can submit your application via the SAB funding portal by the respective deadline (see Further information). As a first step, take advantage of the SAB's advisory services. • You can obtain the necessary forms and fact sheets online here via Amt24 or directly from the SAB. • Complete the application and submit it to the SAB with the required documents and evidence. • After the SAB has checked your application, you will receive written notification of whether and to what extent your application has been approved.
Bearbeitungsdauer	
Frist	Submit the application before you start the project. Once the application has been received by the SAB (date of postmark), you can start the project at your own risk. Attention! As long as you have not received a notification of approval, you must assume that you will not receive the grant, or that you will not receive the grant in the amount requested or at the time requested.
