Volltext	You require a wine accompanying document for the transport of non-bottled wine products. Wine products are • grapes • grape must • mash • wine • Sparkling wine • Sparkling wine • Liqueur wine • fortified wine The accompanying document authorises you to transport the wine-growing products from the producer to the further processing or recovery point, for example to a winery. You are obliged to use an accompanying document.

Modul	Sachverhalt
Erforderliche Unterlagen	none
Voraussetzungen	• You transport non-bottled wine products of more than 60 litres. • You transport wine products in labelled containers of more than 10 litres that are fitted with a non-reusable closure. • The transport route of wine-growing products is more than 70 kilometres, measured from the vineyard to the wine-making plant, between two plants of the same company or between the facilities of a producer organisation.
Kosten	Fee range: up to EUR 105.00
Verfahrensablauf	If you need an accompanying document for the wine transport, submit it online, by post or fax to the control authority responsible at the place of loading. You create the accompanying document immediately before the wine transport, when the wine has been loaded onto the transport vehicle and the final number of litres for the transport has been determined. This accompanying document only relates to this transport and cannot be used for other transports. Create Wine Accompanying Document Online The electronic wine accompanying document procedure (elektronisches Weinbegleitdokumentverfahren, eWeinBV) allows you to create the wine accompanying document online (link see -> Forms and other offers): • Before the upcoming transport, log in to the eWeinBV application with your user ID and prepare the electronic wine accompanying document. • This will guide you step by step through the necessary details, which you can enter online. • Finally, you confirm that all the information provided is correct. • The accompanying document is created, receives a unique reference number and is unchangeable for you. The transport can begin. • All parties involved (e.g. drivers, winery, commission

agents) can now retrieve the electronic wine accompanying document online or receive it digitally.

Submit the Accompanying Document by Post or Fax:

- Fill out the 4-fold form legibly and completely. You will receive the form from the department responsible.
- You give the original to the driver. You keep the remaining copies.
- The driver hands the original to the recipient of the wine transport (e.g. the winery) at the destination.
- You send two copies by post or fax to the responsible inspection authority at the place of loading no later than one day after the start of the transport.
- The remaining copy is for your records.

You only need to create and send the accompanying document. The authority will not process or issue a notification.
