Teaser	If contracts with the water industry are concluded, amended or supplemented, this must be reported to the Landeskartellbehörde.
Volltext	If contracts with the water industry are concluded, amended or supplemented, this must be reported to the Landeskartellbehörde. According to the Gesetz gegen Wettbewerbsbeschränkungen (GWB), concession, demarcation and interconnection agreements in the water industry are only effective after full notification to the competent Kartellbehörde. This also applies to contract amendments and supplements. If these agreements end or are cancelled, the competent Kartellbehörde must also be notified. The contracting parties, i.e. the companies involved in the agreement (water supply companies or cities and municipalities or special-purpose associations), are required to notify the authority • via their respective authorised representative bodies, • in the case of regional authorities, via the mayor, the
