Teaser	In order to run your law firm as a professional practice company with limited liability or to include persons as partners who are not members of the Chamber of Lawyers, Patent Attorneys, Tax Consultants or Auditors, you must apply for a license.
Volltext	<p>If you would like to set up a professional practice company with limited liability and practice as a lawyer, you must apply for a license from the Bar Association. This applies, among other things, to</p> <ul style="list-style-type: none"> • Companies with limited liability (GmbH) • Partnership companies with limited professional liability (PartGmbH) • Public limited companies (AG) • European companies (SE) • Limited partnerships (KG, GmbH & Co. KG) • Companies with the corresponding legal form of a state of the European Union or the European Economic Area <p>You also require a license if you wish to include persons in the professional practice company who are not members of the Chamber of Lawyers, the Chamber of Tax Consultants, the Chamber of Patent Attorneys or the Chamber of Auditors. You do not need to apply for admission to the Chamber of Patent Attorneys to set up a professional practice company without limited liability to which only the aforementioned persons belong, but you can do so voluntarily, for example in the case of</p>

Modul

Sachverhalt

- Partnership companies (PartG)
- Companies under civil law (GbR)

In any case, the rights and obligations of the professional regulations laid down by the Chamber apply.

If you want to work in the field of patent law in Germany with a foreign company based in a member state of the World Trade Organization (WTO), you also need a license. In this case, you will provide services in Germany via a domestic branch office. By founding a professional practice company, you may offer the following activities:

- Advice on inventions, trademarks, designs, know-how, plant variety protection and the like
- Registration of all industrial property rights
- Prosecution of infringements of industrial property rights, unless representation by lawyers is required
- Representation before: the German Patent and Trademark Office the Federal Patent Court the Federal Plant Variety Office other international authorities for the protection of industrial property rights
- Representation before the Federal Supreme Court in nullity proceedings

Erforderliche Unterlagen

The documents required in your case can be found on the application form, in particular the following:

- Certificate of incorporation (copy)
- articles of association (copy)
- Current list of shareholders
- Proof of professional liability insurance or provisional cover note (copy) in the case of limited liability professional practice companies with more than 10 employees, the minimum sum insured is EUR 2.5 million for each insured event for limited liability companies with fewer than 10 employees, the sum insured is EUR 1 million in the case of non-liability-limited professional practice companies, the minimum sum insured for each insured event is EUR 500,000
- Companies that are not already registered must provide proof of identity of the members of the

Modul

Sachverhalt

management and supervisory bodies as well as the shareholders, usually a certified copy of the identity card or passport

- Shareholder resolution on the appointment of the managing directors, if applicable also of persons with power of attorney and authorized representatives (copy)
- Employment contracts of the managing directors, persons with power of attorney and authorized representatives (copy)
- for non-lawyer partners: Certificate of membership from the relevant professional association, for example in the form of a clearance certificate of a quality or activity certificate,
- Proof of payment of the administrative fee
- for foreign companies, additional proof of a branch office located in Germany

Voraussetzungen

- Part of the object of the company is to advise and represent clients in legal matters.
- Partners are active in the company and come from one of the following professional groups: Attorneys at law Members of the Chamber of Patent Attorneys Tax consultants Tax agents Certified public accountants Sworn auditors and accountants liberal professions
- The partnership agreement stipulates that partners who seriously or repeatedly violate obligations under the German Patent Attorneys Act (PAO) or the professional code of conduct may be excluded.
- The capital structure of the company meets the following requirements: If other companies are involved in the company, these are either licensed professional practice companies or a civil law company whose sole purpose is to hold shares in a licensed professional practice company. The transfer of company shares must be subject to the approval of the shareholders' meeting. In the case of public limited companies or partnerships limited by shares, the shares must be registered. Shares in the professional practice company may not be held for the account of third parties. Third parties may not participate in the profits of the professional practice company.
- The members of the management are exclusive: Attorneys at law, Patent attorneys and patent attorneys, tax advisors and tax consultants, tax agents,

certified public accountants, sworn accountants and auditors or Members of the liberal professions.

- They do not meet any of the possible grounds for refusal and have not been disqualified from representing a professional practice firm and managing its business or performing the supervisory functions of a professional practice firm.
- The management includes a number of lawyers who are authorized to represent the company.
- The independence of the lawyers is guaranteed if they are responsible for the management or represent the company in any other way.
- The company is not in a state of financial collapse.
- If the company is called a law firm, lawyers hold the majority of voting rights and constitute the majority of the members of the management body.
- There is professional liability insurance with a minimum sum insured of EUR 2.5 million per insured event or a provisional cover note. The maximum annual benefit for all damages caused in an insurance year is at least four times the minimum sum insured. If no more than 10 persons work as patent attorneys or in a liberal profession, the minimum sum insured is EUR 1 million.
- The following additional requirements and special features apply to the admission of foreign companies based in a WTO member state: The company is authorized to provide legal services under the law of the state in which its registered office is located. Its shareholders are Attorneys at law, patent attorneys and patent attorneys, tax advisors and tax consultants, tax agents, auditors and certified public accountants. The German branch office has its own management, which can represent the company and has sufficient powers to ensure compliance with professional law in relation to the German branch office.
- The authorization to provide legal advice and representation under German law only exists if at least one attorney-at-law is involved as a partner and the management of the German branch office includes a number of patent attorneys authorized to manage and represent the company.
