Verfahrensablauf	<p>The seller or buyer must inform the municipality of the content of the purchase agreement. In most cases, this is done by the certifying notary.</p> <p>He or she applies in writing for a negative certificate to be issued by the municipality in which the property is located.</p>
Bearbeitungsdauer	see deadlines
Frist	<p>The municipality must be informed immediately of the content of the purchase agreement. If the municipality wishes to exercise its pre-emptive right in accordance with the German Building Code (BauGB), it must notify the parties involved in writing within three months. If a pre-emptive right does not exist or is not exercised, the municipality must issue a certificate to this effect immediately at the request of an interested party. The certificate is deemed to be a waiver of the exercise of the pre-emptive right.</p>

Hinweise	<p>In the case of pre-emption rights under the State Forest Act (LWaldG), a period of two months applies for notification to the contracting parties. In addition to the pre-emptive right of the municipality, the state also has a pre-emptive right to forest land in accordance with Section 25 (1) LWaldG. The notification of the content of the notarised purchase agreement, which has been approved by the competent agricultural authority in accordance with the Agricultural Structure Improvement Act (ASVG) provided the legal requirements are met, must be submitted to the forestry authority, which informs the municipality.</p>
