practise dentistry (stating the place and duration of your registration or authorisation and the reason for any termination)

- Declaration on the service or employment relationship existing at the time of application (stating the earliest possible end of the employment relationship)

- Declaration as to whether you are addicted to drugs or have been addicted to drugs within the last five years, or have undergone rehab for drug or alcohol addiction within the last five years, and that there are no legal impediments to practising as a dentist

You must submit the documents in the original or as a certified copy.

Note: If you are unable to present the above-mentioned certificates on your dental activities to the admissions committee, you will have to prove these facts in another way. Please enquire about this at the competent office of the admissions committee.

## Voraussetzungen

You can only be admitted to practice as a panel dentist if you are

- are registered in the dentist register,
- are not prevented from providing the necessary care to the insured due to employment or other non-voluntary activities (maximum 13 hours per week for full admission),
- only carry out dental activities that are compatible with the activities of panel dentists, and
- have no health or other serious personal deficiencies (in particular, you must not have been addicted to drugs or alcohol in the five years preceding your application)

Notice: You can also be admitted as a panel dentist if there are grounds for obstruction in the sense of the second or third bullet point. However, the respective impediment must be removed at the latest three months after the admission has become incontestable. Activities in approved hospitals, preventive or rehabilitation facilities are compatible with contractual dental activities.

proper care of the insured at the registered office is not impaired. Minor impairments for the care at the registered office are irrelevant if they are outweighed by the improvement of the care at the other location.

If the branch practice is located in the area of your member KZV, it is responsible for approving a corresponding application. Otherwise, authorisation is granted by the licensing committee in whose district the branch practice is located.

If you wish to relocate your contracted dentist's seat, you must submit an application to the admissions committee.

## Rechtsbehelf

You can appeal against the decision of the admissions committee.
