does not reach the assessment threshold, you can apply to have your contributions calculated according to your income.

You can also apply to pay less during the first 36 months following your initial appointment as a tax consultant. Prerequisite: You work solely on a freelance basis and had not reached the age of 40 by the time of your appointment.

Most employers deduct the membership contributions from their employees' salaries and send them directly to the pension fund. If you are employed, please give your membership number to your employer and inform him that you are exempted from payments into the state pension scheme. If you are not employed, or if your employer does not pay the contributions directly to the pension fund, you must pay the contributions yourself. You can download a direct debit authorisation form from the internet.

Tip: You will find more information about contributions in the articles of the pension fund for tax consultants in Baden-Württemberg.
