Voraussetzungen

The regulations for the initial issue apply to the extension of a driving licence.

Modul

Sachverhalt

There are exceptions for

- Extension of category A1 to category A2 and extension of category A2 to category A If you have previously held category A1 or category A2 for two years, you only need to take one practical test for the extension to category A2 or category A respectively.
- Category T If you are still in possession of a category 3 driving licence, you can also apply for a category T licence if you wish to extend your licence and convert to a card driving licence. You must prove that you work in agriculture or forestry. You can prove this, for example, with a certificate from the employers' liability insurance association or a confirmation from your employer.

Kosten

- Driving licence extension from categories AM, L and T to another category with a probationary period: EUR 45.90
- Driving licence extension from categories A, B, C, D including trailers and subcategories to another category without a probationary period: EUR 45.10

Additional costs are incurred for obtaining a certificate of good conduct.

Verfahrensablauf

The application for an extension of the driving licence must be submitted to the driving licence office in your place of residence in writing or, if offered by the competent authority, as an online application. If you apply in writing, you can obtain the application form from the driving licence office. You can also submit the written application including the required evidence and documents there.

For the online application, please use the link on this page. You can upload the required evidence and documents as file attachments as part of the online application.

After passing the test and extending your existing driving licence, you will receive a new card driving licence ("EU driving licence").
