- Clearance certificate from the municipal tax office
- If you live abroad: documents from your home country that prove your personal reliability and that you live in orderly financial circumstances.

The competent authority may request further documents to verify your personal reliability in individual cases.

In the case of legal entities (GmbH, company, AG, registered co-operative), you only need to complete the application form for the legal entity itself. You must submit all personal documents for all natural persons authorised to manage the company (e.g. identity papers). For the legal entity, you also need an extract from the central trade register.

Partnerships (GbR, KG, OHG, PartG, GmbH Co. KG) are not eligible for authorisation as such. Therefore, each managing partner requires a licence. You must submit a completed application form and all personal documents for each of these persons.

- You are living in disorderly financial circumstances. This is usually the case if insolvency proceedings have been opened against your assets or if you are entered in the register kept by the enforcement court.
