Teaser	As a collector, transporter, trader and broker of waste, you notify this activity to the competent authority. If you carry out this activity with hazardous waste and are exempt from the permit requirement, you must enclose additional documents with your notification. If you have already notified your activity and your information has changed significantly, you must submit the notification again. The notification requirement applies to both national and transboundary shipments of waste.
Volltext	As a collector, transporter, trader and broker of waste, you notify this activity to the competent authority. If you carry out this activity with hazardous waste and are exempt from the permit requirement, you must enclose additional documents with your notification. If you have already notified your activity and your information has changed significantly, you must submit the notification again. The notification requirement applies to both national and transboundary shipments of waste.
