building is entered into or extended for a fixed period of more than one year.

(2) In the formally designated redevelopment area, the following shall require the written approval of the municipality

1. the legal sale of a plot of land and the creation and sale of a heritable building right;
2. the creation of a right encumbering the property; this shall not apply to the creation of a right connected with the implementation of construction measures within the meaning of Section 148 (2);
3. a contract under the law of obligations by which an obligation to perform one of the legal transactions referred to in item 1 or 2 is created; if the contract under the law of obligations has been approved, the legal transaction in rem performed in execution of this contract shall also be deemed to have been approved;
4. the creation, modification or cancellation of a building easement;
5. the division of a plot of land.

Kosten

Since the municipality issues the permit, it also determines the amount of costs (fees, expenses, etc.) that will be incurred.

Verfahrensablauf

The procedure is the responsibility of the municipality. Questions on this point should be addressed to the municipality.

Bearbeitungsdauer

This depends on the type and scope of the project. It is recommended to inquire about this at the responsible municipality itself.

Frist

There are no application deadlines for you.
