Teaser	You can close housing land registers again if all the home ownership rights have been united in your person.
Volltext	You can have apartment land registers closed again if all apartment ownership rights have been united in your person. The unification may have occurred because you acquired all the condominium rights by legal transaction, succession or compulsory auction. You can also reverse the division if, after a division into condominiums, you have always remained the owner of all condominium rights because no other owners have joined the community. This requires your application. When the condominium land registers are closed, a

	new land register sheet is created for the property. Any encumbrances on all condominium rights with an overall right are continued with the same content on the undivided property. If necessary, individual encumbrances are also taken over. The encumbrances are therefore transferred to the new land register sheet to be created.
Erforderliche Unterlagen	• notarised application for registration (which also contains the owner's registration permit) • consent of third parties
Voraussetzungen	In order to close the housing land registers, an application for registration by you or the notary or the notary who certifies must be made. The housing land registers shall be closed on request if all the necessary documents have been submitted in accordance with the form and there are no grounds for refusal.
Kosten	(as of November 2020) Fixed fee: EUR 50 The land registry charges the fixed fee separately for the cancellation of each condominium. In addition to the costs for the work of the land registry, costs are also incurred for the work of the notary in accordance with the German Law on Court and Notary Costs (Gerichts- und Notarkostengesetz, GNotKG). Please ask the notary working in your case for the amount of the notary costs. You can also find information and examples of notary costs on the website of the Federal Chamber of Notaries (for link see further information).
Verfahrensablauf	You must apply for registration at the land registry. As a rule, the notary who certified the application for registration will arrange for the registration. • The documents required for registration are checked by the responsible legal officer at the land registry. • If documents are not complete or in the correct form, the competent Rechtspfleger will inform the notary or you in writing and request you to submit the missing documents or the documents in the correct form (to be certified or notarized).
