Teaser	People in need of care who are not cared for at home make use of full inpatient care in a nursing home.
Volltext	<p>Full inpatient care means that those in need of care are looked after and cared for in a nursing home.</p> <p>The provision of medical care in nursing homes is no different from that for other insured persons who live at home. Residents of nursing homes have a free choice of doctor.</p> <p>In the case of full inpatient care, long-term care insurance pays flat-rate benefits for care-related expenses, including the costs of care and the costs of medical treatment services in nursing homes.</p> <p>The benefits for full inpatient care are as follows per month</p> <ul style="list-style-type: none"> • for care level 1: 125 euros allowance, • for care level 2: 770 euros • for care level 3: 1,262 euros, • for care level 4: 1,775 euros and • for care level 5: 2,005 euros <p>If the care insurance benefit is not sufficient to cover the care-related expenses, the person in need of care must pay a personal contribution.</p> <p>In addition to the care-related co-payment, there are further costs for those in need of care in the case of full inpatient care:</p> <ul style="list-style-type: none"> • Costs for accommodation and meals.

Modul	Sachverhalt
	<ul style="list-style-type: none"> • If applicable, separately calculable investment costs These are expenses incurred by the operator for purchases, building rent and similar, which can be passed on to those in need of care. • Costs for special comfort or additional services must also be paid privately. <p>As a general rule, the costs for meals, accommodation, investments and comfort services vary greatly depending on the facility. It is therefore advisable to obtain detailed information when choosing a home.</p> <p>In addition to the care-related personal contribution, there are also costs for the training supplement for those in need of full inpatient care.</p>
Erforderliche Unterlagen	<ul style="list-style-type: none"> • Ask the relevant long-term care insurance fund what documents are required and whether there is a special application form.
Voraussetzungen	<ul style="list-style-type: none"> • Only applies to people in need of care with care levels 2 to 5. • People in need of care with care level 1 receive an allowance of 125 euros per month if they choose full inpatient care.
Kosten	The application is free of charge.
Verfahrensablauf	<ul style="list-style-type: none"> • You submit an application for care in a fully inpatient facility to your care insurance fund. • You can obtain information on the required documents and the procedure from your care insurance fund. <p>You can also obtain further information from your regional care support center.</p>
