| Bearbeitungsdauer            | Please contact the district regulatory authority or the local regulatory authority.                                                                                                                                                                                                                                                                                                               |
| Frist                        | The permit to breed, keep and lead dangerous dogs must be applied for immediately if the dog owner has recognized that the dog is a dangerous dog or the dangerousness of the dog has been determined. This also means that the requirements for granting the permit, including proof of expertise, must be demonstrated immediately.                                                             |
| weiterführende Informationen |                                                                                                                                                                                                                                                                                                                                                                                                   |
| Hinweise                     | Proof of expertise is only required for the breed or group of dogs that are intended to be kept non-commercially. Applicants who wish to breed dangerous dogs on a non-commercial basis must also provide evidence of sound cynological knowledge relating to the breed in question. The certificates of competence must state the dog breeds or groups for which the competence has been proven. |
