documents, including those previously requested, the competent authority of destination will send a so-called acknowledgement of receipt. Even if the notification is carried out correctly, the authority of dispatch may request further documents necessary for the assessment of the approval. However, it is obliged to forward the notification. In this case, the authority of destination may only send an acknowledgement of receipt once it has received notification from the authority of dispatch that these subsequently requested documents have also been received. No later than 30 days after the acknowledgement of receipt has been sent, all authorities involved shall issue their decision on the planned notification. This is done by

- Consent without conditions or
- Consent with conditions or
- raising an objection.

Bearbeitungsdauer

30 days after receipt of complete documents

Frist

No later than 30 days after transmission of the acknowledgement of receipt, all authorities involved submit their decision on the planned notification.
