Teaser	You can apply for an extension of the permit for the removal of an installation for up to one year if you have a valid building permit for your construction project.
Volltext	If you have a valid permit for the removal of an installation for your building project, you can apply for an extension of the building permit. The competent lower building supervisory authority can extend the building permit by a maximum of one year in each case if the legal requirements have not changed in the meantime and the application has been received by the competent building supervisory authority before the deadline expires.
Erforderliche Unterlagen	• Request
Voraussetzungen	• You have a valid permit for the removal of an installation. • The application deadline has been met.

	• The legal requirements have not changed in the meantime.
Kosten	• at least EUR 50.00 • The cost calculation takes into account the expected costs of the construction work and the work involved in checking the building application.
Verfahrensablauf	Fill in the application form and indicate the type of extension you are applying for. Submit the application to the responsible lower building supervisory authority. The lower building supervisory authority will examine your application and involve the municipality and those bodies whose involvement or consultation is required for the decision on the permit for the removal of installations or without whose opinion the application cannot be assessed. You will then receive an extension of the permit. The extension of the permit is subject to a fee. You will receive a notification of fees. If necessary, the lower building supervisory authority will ask you to pay a fee in advance after the application has been submitted.
