Teaser	You can apply for a subsidy for the purchase and installation of plug-in photovoltaic systems (so-called mini balcony power plants or balcony PV systems).
Volltext	What is subsidized? The object of the grant is the purchase and installation of plug-in PV systems (so-called mini balcony power plants or balcony PV modules) with a module inverter. Who is eligible for funding? Beneficiaries can be private individuals with their primary residence in Mecklenburg-Vorpommern who • tenants in residential buildings or • owners of owner-occupied residential property. are. How is funding provided? The grant is awarded within the framework of project funding as fixed-amount financing in the form of a non-repayable subsidy. The amount of the grant is EUR 500 per system and housing unit, but no more than the amount of the eligible expenditure if this is less than

Modul	Sachverhalt
	EUR 500. Eligible expenditure is expenditure for the purchase and installation. Not eligible for funding are • Accessories and conversion kits • Own work and assistance from third parties • self-construction. Incomplete applications submitted as a precaution will not be considered for approval.
Erforderliche Unterlagen	• Completed application and proof of use from grants for plug-in photovoltaic systems (PV systems)
Voraussetzungen	• Private individuals with a primary residence in Mecklenburg-Vorpommern • Tenants in residential buildings or owners of owner-occupied residential property • Purchase and installation of the plug-in photovoltaic system with a purchase date from 08.11.2022
Kosten	• none
Verfahrensablauf	• Written applications must be submitted in the correct form and copies of all the necessary supporting documents must be submitted after the system has been successfully installed and commissioned. • Applications will only be approved if they are complete. • Approvals are granted in the chronological order of receipt of complete applications per contingent (tenant or owner) as long as budget funds are available. https://www.lfi-mv.de/export/sites/lfi/.galleries/mini-sol-anlagen/merkblatt-pv-anlagen.pdf https://www.lfi-mv.de/export/sites/lfi/.galleries/mini-sol-anlagen/merkblatt-pv-anlagen.pdf
Bearbeitungsdauer	
Frist	08.12.2022 - 31.12.2025 Approvals are granted in the chronological order of receipt of complete applications per contingent (tenant or owner) as long as budget funds are available. The

Sachverhalt

granting authority will publish a notice at www.lfi-mv.de if it is foreseeable that the budget funds will be exhausted. No grants can be awarded for purchases already made for which no more budget funds are available.

- The funds of the program for owners of a residential unit are completely exhausted. Please refrain from submitting an application as an owner, as there is no prospect of success.
- The contingent for tenants of residential units still contains sufficient funds for a longer period of time.
