Teaser	If you wish to carry alarm, irritant and signal weapons with the approval mark of the Physikalisch-Technische Bundesanstalt (PTB) in public, you must first apply for a small firearms license.
Volltext	If you have alarm, irritant and signal weapons with PTB approval marks in the district (so-called SRS weapons) outside of • your own home, • your own business premises or • your own pacified property (e.g. your own garden) you need a small firearms license for this. However, it is generally prohibited to carry an SRS weapon at public events.

Modul

Sachverhalt

The small firearms license is not valid for compressed air weapons, spring-loaded weapons and CO2 weapons marked with an "F" symbol.

It is recommended that you inform yourself in detail about the regulations of firearms law before submitting your application.

If you are carrying an SRS weapon, you must have the small firearms license with you and be able to identify yourself with an identity card or passport.

The small firearms license is valid indefinitely.

You may be refused a small firearms license if you have not lived in Germany within the last 5 years.

If you move to another city or municipality, you do not have to have the small firearms license transferred.

If you handle weapons and ammunition without the required firearms license, you could face a fine or imprisonment.
