Teaser	If you apply for a preliminary decision on an installation that requires approval, the competent authority can issue this under certain conditions.
Volltext	If you apply for a preliminary decision, the competent authority will decide on individual approval requirements and the location of the plant. If the effects of the planned installation can be adequately assessed and there is a legitimate interest in issuing a preliminary decision, the competent authority should issue a preliminary decision.

Modul	Sachverhalt
Erforderliche Unterlagen	• Application for a preliminary decision on an installation requiring approval • Required drawings, plans, expert opinions • Explanations of the installation • Other documents (if necessary, ask the responsible authority)
Voraussetzungen	• The competent authority must be able to adequately assess the impact of the planned installation from the application you submit and the required documents. • Your application must demonstrate a legitimate interest in the granting of a preliminary decision.
Kosten	Fees are charged for the official act. The amount is primarily based on the installation costs of the facility or the administrative costs. Further details are regulated by the Immission Control Costs Ordinance M-V.
Verfahrensablauf	If you wish to apply to the competent authority for a partial permit for an installation requiring a permit, you must first submit the application documents in full. You can do this in writing or electronically. The competent authority will confirm receipt of the application in writing or electronically, check it for completeness and, if necessary, involve other specialist authorities. If necessary, the authority will request further documents.
Bearbeitungsdauer	3 months
Frist	2 Jahr(e) The preliminary decision becomes invalid if you do not apply for approval of the installation within two years. In justified exceptional cases, the period of validity of the preliminary decision can be extended for up to two further years.
