Hinweise	<p>As a rule, you must not have started the modernization work before submitting your application. However, you can submit an application for an early start of construction to the approval authority. If you take out the loan, you enter into certain obligations (for example: earmarking, occupancy commitment, rent control). If you provide false information in the application, this may have criminal consequences under § 264 of the German Criminal Code (StGB). The approval authority is entitled to check compliance with the obligations.</p>
