Teaser	If you have registered the collection of your organic waste with your public waste disposal authority, you can also cancel the collection.
Volltext	The disposal of biowaste from private households is the responsibility of the public waste management authorities. Regulations on the management of organic waste are laid down in the individual waste disposal statutes and fee statutes. This also includes information on waste fees, waste containers (organic waste garbage cans, ordering options), waste calendars (collection intervals) and existing collection and delivery systems for organic waste (e.g. green waste).
Erforderliche Unterlagen	
Voraussetzungen	• This is biowaste from your private household. • Your public waste disposal authority offers to collect your biowaste. • You have registered the collection of your biowaste with your public waste disposal authority and would now like to cancel the collection.
Kosten	Information on any costs can be found in the respective waste fee statutes of your public waste disposal authority.
