Teaser	You can register the collection of your residual waste from your private household and other disposal waste from other areas of origin if your public waste disposal provider offers this service.
Volltext	The disposal of residual waste from private households and other disposal waste from other sources is the responsibility of the public waste management authorities.
Erforderliche Unterlagen	
Voraussetzungen	Residual waste is, for example: • All materials that cannot be recycled and are not hazardous waste. • Waste which, due to its contamination, cannot be assigned to a type of waste to be collected separately, such as waste paper.
Kosten	Information on the costs can be found in the respective waste fee statutes of your public waste disposal authority.
Verfahrensablauf	The disposal of residual waste is regulated in the individual statutes of the public waste disposal authorities. This also includes information about • existing collection and delivery systems for residual waste, • the waste fees, • the waste calendar (collection intervals) and • the waste containers (prescribed size of waste containers, ordering options).
