Teaser	The commercial setting off of various fireworks must be reported all year round by the permit holder in accordance with Section 7 of the Explosives Act, by the holder of a certificate of competence in accordance with Section 20 of the Explosives Act and by the holder of a non-commercial permit in accordance with Section 27 of the Explosives Act.
Volltext	The burning of • fireworks of category F3 • large fireworks of category F4 or • stage and theater fireworks of category T1 or T2 or • other fireworks of category P1 or P2 must be notified to the competent authority throughout the year by the holder of the permit or license. The deadline for notification is two weeks before the fireworks are set off. In the case of fireworks in the immediate vicinity of railroad installations, airports or federal waterways that are shipping lanes, notification must be given four weeks in advance.
Erforderliche Unterlagen	You require

Modul
Sachverhalt

- a valid permit in accordance with § 7 (commercial) or § 27 (non-commercial) of the Explosives Act or
- a valid certificate of competence in accordance with § 20 of the Explosives Act or
- an exemption permit in accordance with Section 24 (1) of the Explosives Act.

The following information must be provided in the notification or the following documents must be attached:

- Personal details of those responsible
- Location, type and size as well as start and end of the fireworks display
- Distances to particularly fire-sensitive buildings and facilities
- the safety measures, in particular barriers and other precautions to protect the neighborhood and the general public.
