Teaser	You can apply for an extension of your training period if you have problems during your training, have failed an examination or are training part-time.
Volltext	<p>There are three main reasons why you can extend your training period:</p> <p>1. Extension in exceptional cases:</p> <p>There can be many personal or educational reasons for extending a training program. In order to extend the training relationship, there must be important reasons that justify this. These can be, for example, longer illnesses, significant deficiencies in the training, maternity protection periods or parental leave.</p> <p>1. Part-time training:</p> <p>The regular training period is also extended in the case of part-time vocational training. The agreement on part-time training is the subject of the contract and can be stipulated in the vocational training contract at the beginning of the training. However, it can also be agreed for a limited period of training. The following principle applies:</p>
