Teaser	Do you discharge wastewater into surface water or groundwater? Then you must pay a levy to the Free State of Thuringia. You should submit the declarations (forms) required for the assessment of the levy to the responsible office.
Volltext	For the discharge of wastewater (wastewater or polluted rainwater) into surface waters or groundwater is subject to a wastewater levy in Germany under federal and supplementary state law. The wastewater levy is collected by the individual federal states.r.
Erforderliche Unterlagen	The wastewater levy is determined on the basis of the discharge permit under water law, in which the monitoring values and the annual wastewater volume are regularly listed; this is generally available to the determining authority. Depending on the discharge situation, the following declarations or applications must also be submitted: • Declaration in accordance with § 6 Para. 1 Sentence 1 AbwAG (declaration of the monitoring values and the expected annual pollutant water quantity, insofar as this information has not been specified in a permit under water law) • Application for consideration of prior pollution (of the body of water from which the water was taken directly) in accordance with § 4 Para. 3 AbwAG

Modul

Sachverhalt

- Declaration of compliance with lower monitoring values in accordance with § 4 Para. 5 AbwAG
- Proof of the measurement program in accordance with § 4 Para. 5 AbwAG
- Information on the annual sewage quantity (JSM)
- Declaration for the discharge of precipitation water from paved commercial areas via a non-public sewer system in accordance with § 7 AbwAG and § 5 Para. 1 ThürAbwAG
- Declaration for the discharge of rainwater via a public sewer system in accordance with § 7 AbwAG and § 5 Para. 1 ThürAbwAG
- Declaration on small discharges subject to charges in accordance with § 8 AbwAG and § 6 ThürAbwAG

Voraussetzungen

Anyone who discharges wastewater directly into a body of water is liable to pay the levy.

Kosten

Enforcement of the wastewater levy is free of charge.

Verfahrensablauf

Bearbeitungsdauer

The declarations or applications must be submitted to the TLUBN by the deadline.

Frist

30.11. before the assessment year (= calendar year): • Declaration according to § 6 para. 1 sentence 1 AbwAG
 31.12. before the assessment year: • Application for consideration of the pre-charge in accordance with § 4 Para. 3 AbwAG At least two weeks before the requested period: • Declaration of compliance with lower monitoring values in accordance with § 4 Para. 5 AbwAG Within one month of the end of the declaration period: • Proof of the measurement program in accordance with § 4 Para. 5 AbwAG
 31.03. after the assessment year: • Details of the annual sewage quantity (JSM) • Declaration for the discharge of rainwater from paved commercial areas via a non-public sewer system in accordance with § 7 AbwAG and § 5 Para. 1 ThürAbwAG • Declaration for the discharge of rainwater via a public sewer system in accordance with § 7 AbwAG and § 5 Para. 1 ThürAbwAG • Declaration on small discharges subject to charges in accordance with § 8 AbwAG and § 6 ThürAbwAG
