Volltext	The disposal of waste and thus also of waste paper from private households is the responsibility of the public waste disposal authorities. These are the counties and independent cities. Waste paper collections can also be carried out by commercial or non-profit providers (commercial or non-profit collection). Regulations on the disposal of waste paper are laid down in the individual waste disposal statutes as well as fee statutes. These include information on waste charges, waste calendars (collection intervals) and existing collection and return systems (blue garbage can, paper containers, recycling centers).
