Volltext	The residence permit to continue a course of study started in another EU country is a temporary residence permit. The residence permit is extended for the duration of the compulsory study period or the exchange program that is being carried out in Germany. The same conditions apply for the extension of your residence permit as for the issue. In particular, your livelihood must be secured for the duration of your studies in Germany. As a rule, the residence permit cannot be extended if this was already ruled out when the residence permit was issued or last extended.
