Teaser	If you wish to deregister your vehicle, you must have it taken out of service at the relevant vehicle registration authority.
Volltext	If you want to deregister your vehicle, you must apply for it to be taken out of service. This also applies to trailers. Once you have deregistered the vehicle, you may no longer move it on the road or park it in public areas. You can submit the application in person or through your representative to the relevant registration authority. If you do not have your vehicle scrapped, you can usually have the vehicle's license plate reserved for later re-registration for up to one year.
Erforderliche Unterlagen	• if available: completed application form • Registration certificate part I (vehicle registration certificate), if applicable with trailer list • License plates If the vehicle is scrapped, the following must also be submitted • Proof of utilization or • Declaration of whereabouts if the vehicle is being
