Teaser	Traffic regulation measures, such as the erection of traffic signs, are ordered by the road traffic authorities.
Volltext	The Road Traffic Act is a legal regulation. It lays down the rules for all road users. Traffic regulation measures (e.g. the erection of traffic signs) are ordered by the road traffic authorities. The orders are implemented by the road authorities or appropriately certified traffic safety companies.
Erforderliche Unterlagen	Application with corresponding details and justification.
Voraussetzungen	Application with corresponding details and justification.
Kosten	Fees in accordance with the German Road Traffic Fee Regulations (GebOSt).
Verfahrensablauf	Before ordering traffic law measures (e.g. erection of traffic signs) by the lower road traffic authority, the legal requirements of Section 45 of the Road Traffic Regulations (StVO) and the General Administrative Regulation on the Road Traffic Regulations (VwV-StVO) and the relevant guidelines are examined. In consultation with the respective road construction authority and the police regarding the type and scope of the measure, the lower road traffic authority will issue a corresponding traffic order if this proves necessary.
Bearbeitungsdauer	Depends on the individual case and the location.
Frist	Depends on the individual case and the location.
