Teaser	As part of winter maintenance, the responsible agency is responsible for clearing all public streets to the extent of their capacity and gritting as needed.
Volltext	The road authority must ensure to the best of its ability that the roads and sidewalks can still be safely navigated or walked on when it is icy and snowy by spreading and clearing . Within localities, municipalities shall clear all public roads to the best of their ability and grit them as necessary. In addition, the sidewalks and crosswalks must be cleared of snow and gritted in case of icy conditions.
