Teaser	Companies can obtain advice on waste prevention and recycling and are provided with comprehensive information on legal obligations such as the separate collection, return and disposal of waste.
Volltext	Information is available by telephone and via online media, e.g. in leaflets or on websites. The chambers also inform companies about the legal obligations to collect waste separately, to take back waste such as packaging, old electrical appliances, batteries and end-of-life vehicles, and about the requirements for the collection, transportation and disposal of waste.
